## WE'RE MAKING OUR PACKAGING MORE SUSTAINABLE

We're transitioning from single-use plastic to paper-based packaging. As we progress, you may find a mix of paper and plastic in our boxes.

## NOUS RENDONS NOS EMBALLAGES PLUS DURABLES

Nous passons des emballages en plastique à usage unique aux emballages à base de papier. Durant la transition, vous pourriez trouver un mélange de papier et de plastique dans nos boîtes.

## QUEREMOS HACER MÁS SUSTENTABLES NUESTROS MATERIALES DE EMBALAJE

Estamos cambiando las bolsas de plástico desechables por bolsas con base de papel. Conforme avanzamos en este propósito, puedes encontrar una mezcla de papel y de plástico en nuestras cajas.

# A BRAVE LITTLE 'BEE'

When summoned into action, Bumblebee – affectionately known as 'Bee' – is a loyal, courageous, fierce and agile Autobot, known for his impressive combat skills and unwavering dedication to protecting humanity. Since the popular Transformers toy robots were first introduced in 1984, the humbly sized yellow and black character has captured the hearts of audiences of all ages in countless adventures, from comic books and video games to animations and a successful movie franchise. Despite his size, Bumblebee embodies an unwavering spirit of heroism and ultimate selflessness. It was only natural that he would follow LEGO® Optimus Prime in our LEGO Transformers series.

# UN BRAVE PETIT ROBOT

Lorsqu'il est appelé à l'action, Bumblebee est un Autobot loyal, courageux, acharné et agile. Il est connu pour ses impressionnantes aptitudes au combat et son dévouement inébranlable à la protection de l'humanité. Depuis l'apparition des populaires robots Transformers en 1984, ce personnage jaune et noir de taille modeste a conquis le cœur d'un public de tous âges à travers d'innombrables aventures, qu'il s'agisse de bandes dessinées, de jeux vidéo, de films d'animation ou d'une franchise cinématographique à succès. Malgré sa taille, Bumblebee incarne un esprit d'héroïsme et d'altruisme indéfectible. Il était tout naturel qu'il suive LEGO® Optimus Prime dans notre série LEGO Transformers.

# UN VALIENTE AMIGO AMARILLO

Cuando se le llama a la acción, Bumblebee (apodado cariñosamente Bee) es un Autobot leal, valiente, feroz y ágil, conocido por sus impresionantes habilidades de combate y su inquebrantable dedicación a proteger a la humanidad. Desde que se presentaron por primera vez los populares robots de juguete Transformers en 1984, este personaje amarillo y negro de modestas dimensiones ha cautivado los corazones de públicos de todas las edades en innumerables aventuras, desde cómics y videojuegos hasta dibujos animados y una exitosa franquicia cinematográfica. Y es que, a pesar de su tamaño, Bumblebee muestra un inquebrantable espíritu heroico y es la encarnación suprema del altruismo. Por eso, y mucho más, era lógico que siguiera a LEGO® Optimus Prime en la serie LEGO Transformers.

## A HUMAN'S BEST FRIEND

Bumblebee has a strong connection to Earth and humanity. In fact, some of his best friends are humans. He fiercely protects the humans he loves and his fellow Autobots. In spite of his small stature, this little bot is among the bravest of the Autobots, with a sting that can bring down even the most formidable enemy.

Optimus Prime could not have asked for a more dedicated friend and ally in the fight against the Decepticons. Smart, brave and often faster than you might think, he is prepared to do whatever it takes to protect humanity.

## LE MEILLEUR AMI DE L'HOMME

Bumblebee est très attaché à la Terre et à l'humanité. En fait, certains de ses meilleurs amis sont des humains. Il protège ardemment les humains qu'il aime et ses congénères Autobots. Malgré sa petite taille, ce robot est l'un des plus courageux des Autobots, avec une puissance capable d'abattre les ennemis les plus redoutables.

Optimus Prime n'aurait pu rêver d'un ami et d'un allié plus dévoué dans la lutte contre les Decepticons. Intelligent, courageux et souvent plus rapide qu'il n'y paraît, il est prêt à faire tout ce qu'il faut pour protéger l'humanité.

## EL MEJOR AMIGO DE UN HUMANO

Bumblebee tiene una intensa conexión con la Tierra y la humanidad. De hecho, algunos de sus mejores amigos son humanos, a quienes ama y ofrece la misma feroz protección que a sus compañeros Autobots: pese a su escasa estatura, el pequeño robot es uno de los más valientes y le sobran agallas para derribar incluso al enemigo más formidable.

Optimus Prime no podría haber pedido un amigo y aliado más dedicado en su lucha contra los Decepticons. Inteligente, valiente y, con frecuencia, más rápido de lo que imaginas, está dispuesto a hacer lo que haga falta para proteger a la humanidad.

## FROM THE LEGO® DESIGN TEAM

"Bumblebee is such a lovable character, and we wanted to create a model that not only looks and transforms like him, but also includes tributes to his long history. In addition to his blue blaster and bee wing jetpack, look for cheeky little details throughout the model, such as the small, hidden bee element somewhere, and printed decorations and stickers that carry special meaning. The plaque matches the one included in the LEGO® Optimus Prime 10302 set, so if you have both sets, they make a fine display together!"

**Samuel Liltorp Johnson,**  
LEGO® Icons Design Manager

## UN MOT DE L'ÉQUIPE DE CONCEPTION LEGO®

« Bumblebee est un personnage tellement attachant que nous voulions créer un modèle qui non seulement lui ressemble et se transforme comme lui, mais qui comprend également des hommages à sa longue histoire. En plus de son blaster bleu et de son réacteur en forme d'ailes d'abeille, vous trouverez des petits détails amusants dans le modèle, comme un petit élément d'abeille caché quelque part, des décorations et des autocollants imprimés qui ont une signification particulière. La plaque est identique à celle incluse dans l'ensemble LEGO® Optimus Prime (10302). Si vous avez les deux ensembles, vous pouvez donc les combiner en une belle décoration ! »

**Samuel Liltorp Johnson,**  
responsable de la conception LEGO® Icons

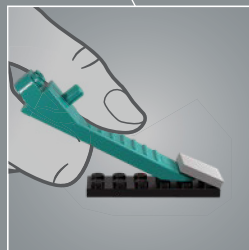

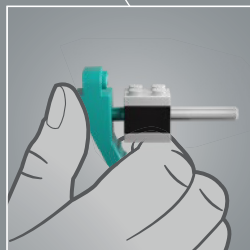

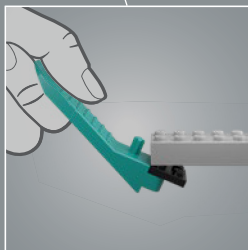

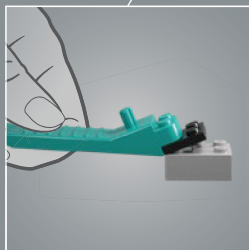

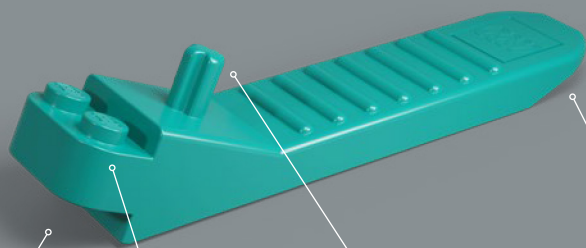

## IMPRESIONES DEL EQUIPO DE DISEÑO DE LEGO®

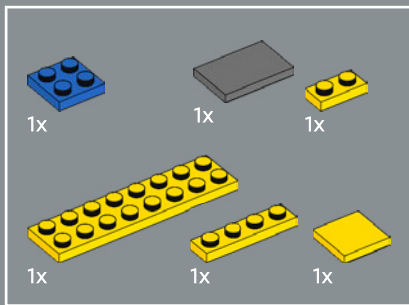

"Bumblebee es un personaje adorable. Queríamos crear un modelo que no solo se pareciera a él y se transformara como él, sino que también rindiera múltiples homenajes a su larga trayectoria. Además de su bláster azul y su sistema propulsor semejante a las alas de una abeja, busca pequeños detalles menos evidentes por todo el modelo, como un pequeño elemento que representa una abeja oculto en alguna parte, y decoraciones y calcomanías impresas con un significado especial. La placa informativa coincide en estilo con la que incluye el set LEGO® Optimus Prime (10302), así que, si tienes ambos sets, ¡se verán espectaculares juntos en una exhibición!"

**Samuel Liltorp Johnson,**  
jefe de diseño de LEGO® Icons
